

Spring Developmental Soccer Program ***March 19-May 18, 2024***

About Victory FC & Academy

Victory FC & Academy is an international, grassroots, character-based football (soccer) club and developmental academy for youth currently based in Colorado, USA. We are committed first and foremost to teaching and building character in our players in a fun, wholistic, and positive environment. *Victory* was first established by the current CEO/President, Aaron Soby, in Cyprus (East Mediterranean) in 2014 and then in the USA in 2018, with the vision to integrate excellent player development and character growth to see players become *truly victorious people in their lives both on the field and long after they cease playing the game.*
